

Franklin Times

3rd April 2020

Dear Franklinites

Another week of home learning under our belts: well done one and all; and thank you so much for all the positive feedback you have sent to staff and to our info account regarding Franklin's home learning offer, it is much appreciated.

Seesaw has been a great addition, and yes, if you upload work it can be seen by the whole class if using the QR code; this facilitates a community spirit and continuity for the children, they are used to the model of sharing their work with their peers, through which they appreciate, scaffold and challenge themselves. If you would prefer for your child's work to only be viewed by their teachers, then you need an individual home learning code, this will be provided during teacher phone calls after Easter, if requested. There is no expectation that all work is shared, this would be unmanageable.

Easter Holiday Arrangements

This 'holiday' the school will remain open for the small number of children in our community classroom, while online home learning, Seesaw interaction and phone calls home will now stop, resuming on Monday 20th April. Should you need any support over the next two weeks, please do not hesitate to get in touch via info@arkfranklinprimary.org, which we will continue to monitor, we aim to respond to queries within 48hrs.

Belle Gosnald made this wonderful model of the Tower of London at home this week and uploaded it to Seesaw: well done Belle 😊 Do continue to send any great examples of home learning that you would like to share with the rest of the Franklin community.

Whilst we will not be uploading daily activities over the Easter break, our home learning pages provide a wide range of additional links and activities to keep you busy. Scroll down to the bottom of your child's year group page to investigate. In addition, there are a variety of lessons that celebrities are hosting on a regular basis. Please use the links below to access.

Subject	Time	Detail
P.E	09:00	30-minute P.E lesson with Joe Wicks
Maths	09:00	Games for KS1 and Maths lessons for Year 3/4 and Year 5/6
Maths	10:00	Maths with Carol Vorderman

History	14:00	History with Dan Snow (free for 30 days)
Technology	16:00	Home Economics with Theo Michaels (Mon/Wed/Fri)

Headteacher's thought for the week:

The greater the obstacle, the more glory in overcoming it.

You are in our thoughts everyday.

Warmest regards
Janine Ryan
Principal of Ark Franklin
