

Dear Parents

Another eventful week comes to a close, with year three turning the dining room into a pizzeria each afternoon, the end products looked delicious, and the children will certainly be ready to engage in great instructional writing next week.

Next Friday, 15th November, is Children in Need day, we are inviting everyone to wear their pyjamas and bring their favourite book to school to share with their classmates; a £1.00 donation will be collected at the gates on the day.

Twice this week I stood out on Kempe Road to prevent parents from double parking, it worked, hopefully next week I will not need to remind drivers to wait for a parking bay.

If you wish to order school photographs you have until Friday 15th to do so, either on line, or by bringing the completed form and the correct money in the envelope provided to the school office.

On the 20th November the nursing team will return to administer the nasal flu spray to all children in Reception to year six, letters came home last week, if you wish your child to participate, fully completed consent forms must be received at Franklin by the 14th November at the latest; any queries regarding this service must be made to the NHS team via the contact details given on the consent form.

Art Studio Update

Much work continues behind the scenes towards making the art studio a reality. From submitting pre-planning, to

raising funds via grants and private donations. Currently we have £70 000 towards it, part from Fork to fork funds, part parental donations via Justgiving and part through private benefactors; we have other ideas in the pipeline for raising funds and hope to build it next summer if all goes to plan...

PARENT QUESTIONNAIRE

At Franklin, we really value the relationships we have forged with our children and their families, it is together than we really make a difference, as such, it is important that we take the time to seek your feedback. This year, to ensure this is a simple and accessible process I have made it an online survey, access it via the link below for the next week. Please let us know how we are doing. Thank you.
