## Morning Message

Good morning year 1 and welcome back to more home learning! We have been AMAZED by your work so far, you are all star pupils!

Our optional art project this week is making a paper sculpture. [Here](#) are the instructions!

Don't forget to attend your class meetings on teams! Your **morning briefing** is from 09:00-09:20 and your **afternoon briefing** is from 14:30-14:50. If you don't have a link, ask your adult to email [info@arkfranklinprimary.org](mailto:info@arkfranklinprimary.org).

## Writing

This week you will be changing parts of the story. Today you will be writing your **ending** and you will be learning about **moral endings**. You will be innovating '**said**', **adding adjectives** to describe your new animals and **changing the ending**.

[Click here](#) for the video.

## Reading

Today's sound is: **ai – Snail in the rain!** Have a go [here](#).

15mins Reading: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Just register and enjoy... **FREE eBook Library from Oxford Owl for Home**. All their eBooks are tablet-friendly.

## Mathematics

Today in maths you will be starting a new topic exploring half of a shape. You will learn all about half and be able to find half of different shapes. Exploring equal parts and unequal parts.

For this you will get to draw your shapes and half them by colouring in one half of the shape.

Watch the [link](#) for support and here is the task sheet.

**Challenge** - Why not see if you can half some shapes. If you are making a sandwich can you half it? If you are drawing a picture can you fold it in half?

### Question for the day

Yesterdays answer: The dinosaur that flies. Well this was a trick question as there wasn’t any Dinosaurs that could fly however the winged lizard around during this period is often mistaken for a dinosaur. The Pterosaurs family are a relative of the dinosaur family but not actually dinosaurs themselves. Such as the Pterodactyl.

**Today’s Question for the day:** You all have learnt about amphibians and its characteristics.

What’s the world’s largest amphibian?
