

Morning Message

Good morning Year 5,

Happy Friday! We've been wowed this week with your continued efforts. You're doing an amazing job. Watch our celebration assembly [here](#) to see who in Year 5 has earned themselves a Headteacher's Award!

Because you are continuing to learn about living things and their habitats today, we have TWO animal facts about hedgehogs. Did you know that they have between 5000 and 7000 spikes on their backs? They can also walk up to 2 miles each evening. Who knew their little legs could travel so far?

Have a fantastic day and a great weekend.

Miss Smeltzer, Miss Collins and Mr Murphy

Writing

Today you are going to be generating language to help you with your informal letters from a scout/activity camp next week. We can't wait to see your creative ideas 🤔

Warm up: revise your knowledge of word classes [here](#) and check your answers on the second page.

Main activity: Find out about how to use 'show not tell' and sarcasm [here](#) and complete the

generating language activity. 🤔
