

# Year 6

## Thursday 7<sup>th</sup> January

### Morning Message

Good morning Year 6,

Can you believe it's already Thursday? What a day we have lined up for you today!

You will have your first Spanish, Music AND outdoor learning lessons with your new teacher today as well as all your other lessons you've been excelling in.

Remember to attend your class briefings on teams. Your morning briefing is at 8.40am and your afternoon briefing is at 14:00. We are really looking forward to seeing you online.

If you don't have a link, ask your adult to email [info@arkfranklinprimary.org](mailto:info@arkfranklinprimary.org).

Have a great day! Miss Love, Ms Graham and Miss Ahad

### Writing

We were SO impressed with your first diary entries as Francis – you all managed to adopt an informal style and get into character so well!

I've included some shout outs in today's lesson for exceptional work, but in truth, it could have been any of you!

Find today's lesson [here](#).

We can't wait to read your work! 😊

### Reading

Thank you to those of you who have uploaded their work in onto Seesaw – keep up the fantastic work Year 6!

The answers from yesterday's activity can be found [here](#).

In today's reading lesson, we will begin to understand word meanings from the text; this will help us to understand the text in context.

You can find the recording of the lesson here: <https://youtu.be/v8JhU36iJZM>

A copy of the text can be found [here](#) and your activity [here](#)

Make sure you use the text to help you answer your questions.

Please ensure that you mark and correct your answers before uploading – learning from your mistakes is how you progress rapidly!

### Mathematics

All of the adults have been so impressed with the incredible maths work which has been uploaded onto Seesaw over the past few days. Well done to everyone who spotted the error in the video – It's great to know you are all paying attention and confident enough to spot the error!

You can find the link to today's maths lesson [here](#). We are learning all about substitution in algebra. The independent work to complete can be found [here](#).

Also, we know that some of you are very confident mathematicians, and so we are going to start including some maths problems for you to solve. These will be on a variety of different topics and are designed to stretch and challenge you. If you want to do them, the questions can be found [here](#). (The first two are for KS1 – have a look at the second two)

# Year 6

Thursday 7<sup>th</sup> January

## Foundation Subject

### Spanish

Today we will look back at how to form opinions and link that to our school subjects in a conversation.

Lesson Link – [Here](#) The worksheet is [here](#).

### Music

This half term in music we are learning the song *Something Just Like This*, [here](#) is the link to sing along with Miss Webster, [here](#) is the link to have a boogie to, [here](#) are the lyrics, and here is the [backing track](#) for your Seesaw uploads! Enjoy!

## Outdoor Learning: MEET MS HARRIS

Our new topic this half term is 'Adaptations'. In today's lesson we will be looking at how animals in our local area are adapted to their habitats. The video link is [here](#).

Worksheet link here. – [Here](#)

## Weekly Spellings

Revise for tomorrow's spelling test – can you get an adult to teach you?

Remember, copying out the spellings whilst looking at them is not effective practice 😊
