## Morning Message

What a great start back to your second week of Home Learning!

Well done everybody: so many high-quality uploads.

Fantastic to see almost 100% attendance at every briefing now too – remember to arrive punctually!

Lots happening today including your second Geography lesson on The Amazon Rainforest.

Make sure to keep uploading onto SeeSaw throughout the day and responding to feedback 😊

Your Year 6 teachers

## Writing

Today's we're writing in role as a character from The Explorer who's managed to survive the plane crash.

Watch today's lesson [here](#) before deciding who your diary entry will be written by.

## Reading

We have had a great first week of reading – let's all keep that up!

This week in reading, we will continue reading The Explorer: today's lesson will focus on using our keywords in context.

The video for the lesson can be found [here](#).

A copy of the text can be found [here](#) and your vocabulary activity [here](#).

Please ensure that you mark and correct your answers before uploading – learning from your mistakes is how you progress rapidly!

## Mathematics

Today is going to be our final lesson on Algebra. We have all been so impressed with your hard work, determination and resilience! Well done!

Please follow this link to watch today's [video](#).

The worksheet for today's lesson can be found [here](#). Because there are lots and lots of possible answers for each question, I cannot go through the answers, so please upload your work without marking the independent work and your teachers can have a look at it. There are some extra challenges on the back of the sheet for those of you who like to push yourself !
